A message from Anni:

Anni Wunderlich,
President

Hello everyone:

Well, it's about time we saw some sun, I was beginning to think we'd never experience summer. No doubt you all know that I spent 3 weeks in Morocco, and all that I can say is, please don't hesitate, put it on your bucket list and go. This trip is up there with Egypt, both amazing trips full of wonderful experiences. We started off in Casablanca, overland to Chefchaouen, and Tangier, then by train to Rabat, overland to Fez, then we crossed the Middle & High Atlas Mountains then overland to Erfoud, camped in the Sahara Desert, then on to Ouarzazate, crossed the High Atlas Mountains to Marrakesh, then back to Casablanca.

Coming up:

Saturday, July 1st is our 'Red, White and Blue' dance at The Complex from 1:00—4:00 PM with DJ's CATHY & CLAUDIO. Saturday, July 15 is 'Smiley Face' at The Complex from 1:00—4:00 PM with SheJay Susan "SPARKLES" Dodge. Saturday, August 5 is our "DJ & Teacher Appreciation" dance at The Complex from 1:00—4:00 PM with DJ's CATHY & CLAUDIO.

Saturday, August 19 is DOUG & JACKIE'S "You Can Dance 10" Workshop, at The Complex

starting at 12:00 PM with DJ's Cathy & Claudio, followed by our regular dance from 6:30—9:30 PM with SheJay Susan "Sparkles" Dodge. We all love Doug & Jackie, their Workshops are so much fun because they are so much fun to be around, so don't forget to sign up. I know a lot of you like waiting to the last minute to get your reservations in, but we'd really appreciate it if you'd send them in sooner than later. Flyer/Registration is on page 8.

Please renew your membership ..forms are on page 9.

My friend Monday Mary sent the following to me, and I felt I should share it with you.

"Barely the day has started and it is already six in the evening. Barely has Monday arrived and it is already Friday, and then the month is almost over and then the year is over .. and already 60, 70 or more years of our lives have passed .. and we realize that we have lost parents and friends .. and we realize it's too late to go back. So .. let's try, despite everything, to enjoy the remaining time. Let's keep looking for activities that we like. Let's put some color in our grey. Let's smile at the little things in life that put balm in our hearts. And despite everything, we must continue to enjoy with serenity, this time we have left. Let's try to eliminate the after.

I am doing it after .. I will say it after .. I will think about it after. We leave everything for after like "after" is ours, for what we don't understand is that:

.. afterwards, the coffee gets cold .. afterwards priorities change .. afterwards, the charm is broken .. afterwards, health passes .. afterwards, the kids grow up ... afterwards, parents get old .. afterwards, promises are broken .. afterwards, the day becomes the night .. afterwards life ends. So, let's leave nothing for "later". Let's act now and not wait until "after", for we can lose the best moments, the best experiences, the best friends, and the best family.

The day is TODAY. The moment is NOW."

Anni
